Dear Selection Committee:

I am honored to write this letter of recommendation for Alma Santiago. It was a pleasure to have Alma as a student in my CIS363B course. She consistently went above and beyond expectations in her work. She takes her work seriously, and it shows.

Alma is a very motivated student, and she excels at what she does. She consistently excelled in the required assignments and worked to build upon her knowledge. Alma is one of those students that will stand out. Her personal demeanor is wonderful; she is helpful to other members of the class, yet she has high integrity. She has outstanding leadership skills and thus has earned the respect and admiration of the other class members. She always met required due dates, keeping me well informed all the way through the successful completion of her project. The work that she does is thorough and complete.

In summary, Alma truly represents academic excellence, and I believe that she is a most deserving candidate. If I can be of further assistance in your selection process, please let me know. My cell phone number is [REDACTED].

Sincerely,

Professor Ann-Marie Dau
